YOU as "Miss White"

WAS IT MRS. WHITE IN THE STUDY WITH THE KNIFE?

Someone smashed the Million-Dollar Cupcake and we've narrowed it down to just a few suspects. Who would do such a thing? And why?

As the best-selling author of "Love on Bakery Lane," Mrs. White only complains about the price of sugar (powdered and pure-cane).

Mrs. White is dressed in black most days, providing a stark backdrop for her signature white pearls and often carries a notebook to capture her observations of love and romance.
